For Summer-Ready Skin - "Naturally" TTE Skincare Is The Way To Go

August
2005

Need a facial regime to treat your skin as it makes the transition from the cold winter weather to the summer sun? Look no further than the **TTE (The Tiger's Eye)** complete summer skincare arsenal and spoil your skin with luxurious and revitalizing all-natural ingredients. Specially formulated with pure Aloe Vera concentrate, which contains wonderful healing qualities, and some of Mother Natures' most effective anti-oxidants and minerals such as Vitamin C and avocado oil. Packed with nourishing ingredients, the TTE summertime cocktail moisturizes the skin without leaving it feeling sticky or greasy. All you need this summer to keep your skin looking fresh, natural and properly pamper yourself!

1: TTE Purifying Seaweed Cleanser

Experience this light and fresh

cleanser that gently exfoliates and deeply cleanses the skin. Fortified with sea minerals and alpha-hydroxy, it leaves skin naturally smooth, soft, and refreshed.

Price: \$15

2: TTE Hydrating Moisture Cream

This is a light, super absorbing cream that replenishes moisture around the clock. Leaves you with smooth, supple skin tone and a radiant glow.

Price: \$15

3: TTE Natural Daylight Cream

Specially formulated and fortified with moisturizers and soothing aloe, this light cream promotes a healthy glow. It's great for everyday protection from the sun's harmful rays with an SPF 15.

Price: \$15

4: TTE Vitamin C Gel

When applied daily, this rich gel acts as a collagen booster, a spot guard, and helps to shield the sun's rays.

Price: \$50
